

## **REMARKS**

In the Amendment and Response to Office Action filed on September 8, 2008, Applicants amended the specification to comply with the requirements of 37 CFR 1.121 and/or 1.4. The Specification was inadvertently mislabeled and Applicants hereby submit a corrected specification amendment with the proper markings. No new matter has been introduced. Upon entry of the corrected specification amendments, Applicants submit that the application is in condition for allowance.

In light of the corrected specification, Applicants submit that the specification amendment is in compliance with 37 CFR 1.121. Thus, Applicants respectfully request the Examiner to withdraw the Notice of Non-compliance.

Should the Examiner feel that a telephone conference with Applicants' attorney would expedite prosecution of this application, the Examiner is urged to contact the Applicants' attorney at the telephone number identified below.

Respectfully submitted,

Dated: December 15, 2008
